

Warfare Prayer Against Demonic Attack

Spiritual Warfare — Pray boldly in the name of Yahusha ha'Mashiah

In the name of Yahusha ha'Mashiah, King of kings and Master of masters, we ask you to fill us to overflowing with your precious Ruah ha'Qodesh, as we pray these words in your mighty and powerful name.

Your Word teaches that we have the power and authority to tread on serpents, scorpions, and over all the power of the enemy, and nothing shall by any means hurt us (Luqas 10:19), and so Heavenly Father, we pray that all forms of evil in our lives, and that of our loved ones, be sent back NOW to your feet for judgment.

You have already won the victory Yahusha, conquering evil, sin and death for all time, and we declare these truths in this realm this day. Father, we come to your courtroom, entering Your gates with thanksgiving and Your courts with praise, asking that our sins and transgressions be forgiven, as we forgive all those who have come against us in this lifetime. Please Father hear our prayers and petitions on behalf of ourselves, our loved ones, and all of your children.

We ask you now Father to avenge us of the enemy of our souls. Greater is You, Father who is in us, than he, the adversary who is in the world. No weapon formed against us will prosper and every tongue that rises up against us, You have condemned. This is our heritage as sons and daughters of the Most High, and our righteousness is from You.

All enemies of our soul, we send you to the court of Our Father, The Great I AM. We break you, all evil spirits and ask for the Ruah ha'Qodesh to destroy you by fire and bring you to ashes. Every power declaring dominion over us, you are a LIAR! Break and be brought to ashes in Yahusha's mighty name. Serpent of death and every strong man, break and be brought to ashes in Yahusha ha'Mashiah's mighty name.

Every attempt at satanic or witchcraft programming of any kind, break and be brought to ashes by the Ruah ha'Qodesh Fire. Every mouth that speaks any wickedness against us, break in Yahusha ha'Mashiah's mighty name. Any power that is reporting us to satan or his demons, break and be destroyed in Yahusha's mighty name. May every stolen blessing come back to us in the name of Yahusha ha'Mashiah.

We bind, smash, and send back to You Yahusha for judgment, all demonic thrones, principalities and dominions, powers, minions, territorial and tribal spirits, and any and all demonic spirits who are attempting to infiltrate our lives in any way.

We forbid any and all of satan's demons from exerting influence over any area of our lives — our workplace, our vehicle(s) and transportation, our dwelling place, our finances, our health, our children, our spouse, our relatives, our interactions with others, and the region where we live and work.

Whatever it is, we forbid them from operating against us today and always in the mighty name of Yahusha ha'Mashiah. We pray for Ruah ha'Qodesh fire to bind, smash and send back to Yahusha for judgment all demonic altars throughout the world and in the heavenlies. We ask Yahusha to seal those portals now in Your mighty name, never again to be opened.

We bind and smash witchcraft in any form. We bind and smash all witch and warlock covens, witchcraft control and activity — all chants, spells, curses, hexes, vexes, divination, white or black magic, incantations, incarnations of demonic entities, mediation, or any type of magic in any form, and we cancel all witchcraft assignments, especially those projected against us and our loved ones. Break and be destroyed now, being brought to ashes by the power of The Ruah ha'Qodesh and in the mighty name of Yahusha ha'Mashiah. Every witchcraft registry that includes our destinies or that of our loved ones, break and be destroyed now by the fire of The Ruah ha'Qodesh.

We bind, smash, and send to Yahusha anything, whatsoever, that is sent by the demonic, witches and warlocks from the astral world, cancelling all astral travel of every kind. We cancel NOW with the blood of Yahusha all witchcraft blood sacrifices done in mockery and rebellion of the only true blood sacrifice of Yahusha ha'Mashiah. We render all blood sacrifices made by all witches and warlocks, and anyone caught up in the demonic in any realm of the earthly or spiritual worlds to be null and void and cancelled NOW by the blood of Yahusha.

We declare that every evil pronouncement into the atmosphere that has been made against us and our loved ones be nullified and destroyed NOW by Ruah ha'Qodesh Fire. We bind, smash, and send for judgment to Yahusha ha'Mashiah all demonic kings, princes, and world rulers who are representatives of every demonic spirit ever known or unknown. Yahusha's power and authority strips each and every demonic spirit and its hierarchy of power, armor, and rank, and we pray Yahusha ha'Mashiah that you would separate every demonic spirit from each other. Father speak confusion into the ranks of the enemy, and declare their assignments against us this moment are hereby rendered null and void in your mighty name. We ask you Yahusha to paralyze their tongues and curses, rituals and blood sacrifices. Cause confusion Father in their ranks and with their communications, and distort and sever all contact between every demonic being known or unknown.

We declare that every demonic utterance be scattered and fragmented in Yahusha ha'Mashiah's mighty name; and for every attempt a demonic spirit makes against us, we pray Father that you will send recompense seven times more powerful back against that spirit or spirits and destroy them completely. Father, You have declared that all demonic spirits are rendered powerless because of Your sacrifice, and we come into agreement with this truth, this moment and forever, in Your mighty and powerful name, Yahusha ha'Mashiah.

We bind, smash and send to Yahusha ha'Mashiah all demonic spirits from the netherworld — spirits in between, around or near us, trapped and bound spirits, and all familiar spirits. We bind, smash and send back for judgment all demonic spirits inhabiting animals, strange and ungodly creatures, hybrids, mutations, giants, shape shifters, artificial intelligence, and the nephilim, or so called aliens. We declare that these spirits are forbidden to be activated from whatever source they come from, whether it be from witches or warlocks, demons or fallen angels, through chants, spells, curses, hexes, vexes, divination, white or black magic, incantations, incarnations of demonic entities, mediation or any type of magic in any form whatsoever.

We bind, smash, and forbid any and all types of sorcery in our lives and all those who are the children of Yahuah in the mighty name of Yahusha. We bind, smash and break all evil affecting our senses of sight, smell, touch, taste, and hearing; all evil against our emotions; all evil against the seven points of the body used by witchcraft and new age practices known as the chakras — the base of the spine, spleen, navel, heart, throat, between the eyes, and on the top of the head.

We bind, smash and break all evil sent to attack and harm our bodies, Yahusha's earthly Temples — the digestive, skeletal, muscular, reproductive, respiratory, circulatory, and nervous systems, including every other system and related part of the body — brain, organs, skin, tissues, cells, and especially our blood which carries our Father's precious and Holy DNA. All witchcraft sponsored infirmities focused on our bodies break and be brought to ashes now by Father's Ruah ha'Qodesh Fire. We bind, smash, and send back to Yahusha ha'Mashiah for judgment all attempts by demonic forces to corrupt our DNA by infiltration of any kind. We break and cancel any attempts to implant into our bodies anything that will change our DNA and cause corruption.

We cover every source of nourishment that enters our bodies in the form of food or drink with your Holy and precious blood Yahusha ha'Mashiah. We especially bind and smash all attempts by the enemy to infiltrate our DNA by causing the consumption of any form of tainted or corrupt substances which have been altered from their purest and original form, in any way. This includes all genetically modified substances, vaccines and substances that have

been tainted with unholy blood coming from aborted fetuses, or ungodly practices strictly forbidden by Our Father.

We bind, smash, and break with Yahusha's blood and His Ruah ha'Qodesh Fire, any and all witchcraft, evil powers and demons giving assistance to, or pulling energy from our bodies, as they draw power from the planets, sun, moon, and stars, constellations, air, wind, fire, water, light, darkness, matter, the elements, or from lines, squares, circles, symbols, artifacts, or by any other means whereby spells, curses and potions are used against us. In the name of Yahusha ha'Mashiah, we bind, smash and break any transference of demonic spirits sent by satan or his demons, witches or warlocks that would come against us. We take up the sword of the Spirit, The Holy Word of Yahuah, and we sever all evil soul ties between these evil spirits and our family, friends, and acquaintances. We pray that this prayer would be in effect by the blood of Yahusha for all those in our family line and all those we have ever met or have had contact with in this life.

Yahusha ha'Mashiah, in your mighty name, We cover all communications and equipment that we use daily with Your Holy and sanctified blood, and we declare that no demonic force or spirit of any kind is permitted to enter, travel through or control any device(s) that we use. This includes all media — phones, tablets, computers, internet, WiFi signals, electric or solar connections, generators, and all other devices used as a part of our daily life. We anoint and seal all entrance points with Your precious blood, covering them and preventing them from all infiltration attempts by demons of any kind.

We refuse to accept the mark of the beast spiritually and physically. We command all demonic spirits coming from the evil eye, third eye, masonic eye, and the all seeing eye in the name of Yahusha to go to You immediately for judgment and be sent to the lake of fire.

We cancel by the blood of Yahusha any and all satanic covenants, oaths, vows, pacts, permissions, petitions, entrances and agreements made by all our ancestors going back to Adam and Hawwah. Any curse whatsoever made by any agent of satan that has been placed on our bloodline from any generation is now declared null and void by Your mighty and precious blood Father.

Yahusha, before we sleep tonight, we pray You would cover us, our loved ones, and all Your children with Your Holy and precious blood, surrounding us with your warrior angels and Your whirlwind of fire. We ask that you would place your blood on all entrance points to our dwelling places — gates, doors, windows, and entrance ways — preventing any attempt by the enemy or his minions to visit or enter and cause torment in any way. We declare that every spirit of the enemy attempting to manifest during the night that would disturb

our sleep and trouble our minds, break and be destroyed and brought to ashes now by the Fire of The Ruah ha'Qodesh. We declare that we will have peaceful dreams of the Kingdom this night, and we renounce all dreams of torment, death and sorrow in Your mighty and powerful name, Yahusha.

Every night demon, especially lilu and lilith, and incubus and succubus spirits receive the arrow of destruction and sword of the Spirit. Break and be destroyed by His Ruah ha'Qodesh Fire NOW in Yahusha ha'Mashiah's mighty name.

All dark angels who are watching us from demonic realms, break and be brought to ashes NOW by the fire of the Ruah ha'Qodesh. Every satanic network that is operating against us, we send Ruah ha'Qodesh Fire to destroy you. Father, deflect any arrows by day and terrors by night from locating us, and place us in Your supernatural wall of fire, insulating us from all attacks of the enemy.

From the entrance to the exit of our dwelling places, up and down every stair or level, we position Your power and presence Yahusha to monitor and prevent any satanic invaders from coming against us while we sleep. We forbid the entrance of any type of demonic creature, hybrid, animal, or any other demonic being or minion from entering our dwelling places while we sleep. All demonic spirits attached to anyone or anything in the area of our dwelling places are hereby rendered ineffectual, harmless and broken and destroyed by the Ruah ha'Qodesh Fire.

Yahusha ha'Mashiah, Father, we loose Your love, Your power and authority in this place, Your protection, Your strength, Your healing and wholeness, Your mercy and grace, Your blessings and favor, and all provisions needed to fulfill our purpose. We loose the restoration of all that the enemy has stolen from us, and we pray that more children of Yahuah may be saved by these prayers and obedience to You. We ask for twelve plus legions of angels to preside over our dwelling places in order to keep the enemy from attacking any of us.

Father, Yahusha, our entire existence is consecrated to You, and we ask for Your mighty and powerful blood to always cover, course through and protect us from all forces of darkness, no matter what they may be. Thank you that we can speak these words of prayer from our heart with all confidence and assurance that You are faithful to Your Word, and that when we speak these words, they breathe life with every utterance. You have not given me the spirit of fear, but of power, love and a sound mind.

We are at Your feet, at Your service, and we humbly pray that You would hear this prayer and answer us according your perfect will. We adore you! We praise you! We honor and glorify You! You are The Most High, The Messiah

and Master of all creation, and our soon coming Bridegroom!! Thank you for hearing us and thank you for your love and faithfulness in answering our prayers. All praise, honor and glory to you Yahusha ha'Mashiah! Amen!
